

MISSION STATEMENT

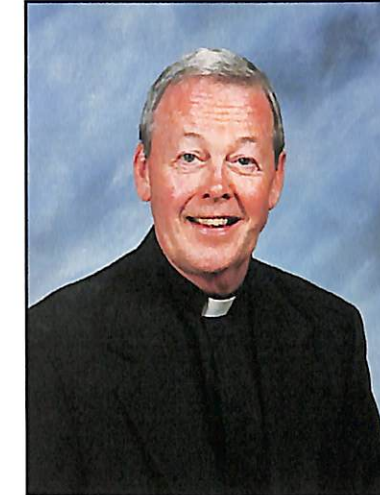

Mission Statement

St. Boniface is a Roman Catholic Church ministering to the urban Louisville community since 1836. We are a community formed by the word of God, the Sacraments and the tradition of the Church. We strive to be a catalyst for positive change in our neighborhood. St. Boniface is uniquely positioned to serve the needs of the entire community from youth to elders. We put our faith in action through a variety of social outreach programs. In these efforts, we strive to be a refuge for those in need and offer hope to our surrounding community.
